**SUPPLEMENTARY INFORMATION:**

**Background**

On November 1, 1996, the CIT in *FAG U.K. et al. v. United States*, Slip Op. 96-177, remanded the final results to the Department to: (1) Utilize the tax-neutral methodology for adjusting for value-added taxes (VAT) approved by the United States Court of Appeals for the Federal Circuit (CAFC) in *Federal-Mogul Corp. v. United States*, 63 F.3d 1572 (Fed. Cir. 1995) (see final redetermination); (2) correct the computer program so that the insurance values reported in dollars are not further converted; (3) correct the computer program so that the VAT is only applied to the HEDGE value once; and (4) correct a clerical error with respect to FAG-Barden's U.S. sales. The Department complied with the CIT's order and, on February 14, 1997, submitted the final remand results to the CIT.

The recalculated, weighted-average percentage dumping margins for NSK-RHP and FAG-Barden during the period May 1, 1992, through April 30, 1993, for ball bearings (BBs) and cylindrical roller bearings (CRBs) were as follows:

Company	The United Kingdom	
	BBs	CRBs
NSK-RHP .....	14.49	20.03
FAG-Barden .....	4.65	8.22

On June 18, 1997, in *FAG U.K.*, the CIT affirmed the Department's final remand results and entered final judgment on all issues.

In its decision in *Timken Co. v. United States*, 893 F.2d 337 (Fed. Cir. 1990) (*Timken*), the CAFC held that, pursuant to 19 U.S.C. 1516a(e), the Department must publish a notice of a court decision which is not "in harmony" with a Department determination and must suspend liquidation of entries pending a "conclusive" court decision. The CIT's decision on June 18, 1997, constitutes a decision not in harmony with the Department's final results. Publication of this notice fulfills this obligation.

Pursuant to the decision in *Timken*, the Department must continue the

suspension of liquidation of the subject merchandise pending the latter of the expiration of the period for appeal or the conclusion of any appeal. Further, absent an appeal or, if appealed, upon a "conclusive" court decision affirming the CIT's opinion, the Department will amend the final results of the fourth administrative review of the antidumping duty order on antifriction bearings (other than tapered roller bearings) and parts thereof from the United Kingdom to reflect the amended margins of the Department's final remand results, which were affirmed by the CIT.

**Postponement of Final Determination**

Pursuant to section 735(a)(2) of the Act, on July 29, 1997, JSC Severstal (Severstal) a producer of subject merchandise; requested a thirty-day extension of the final determination.

Severstal accounts for a significant proportion of exports of the subject merchandise. In addition, we are not aware of any compelling reasons for denying this request. However, due to the complexity of the issues involved in the case, including surrogate values, and the scope of the subject merchandise, we are postponing the final determination in this investigation until 135 days after the publication of the preliminary determination. Therefore, the final determination will be due no later than October 24, 1997. Suspension of liquidation will be extended in accordance with section 733(d) of the Act.
